The CFR have been prepared on the basis of separate financial statements and other financial information regarding components. Our responsibility is to issue a report on these un-audited CFR based on our review

### SCOPE OF REVIEW

- 2 We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410 – 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India (ICAI). This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit; accordingly we do not express an audit opinion.
- 3 The CFR of the Group have been prepared by the management in accordance with the requirements of Accounting Standard (AS) 21, Consolidated Financial Statements and Accounting Standard (AS) 23, Accounting for Investments in Associates in Consolidated Financial Statements notified by the Companies (Accounting Standards) Rules, 2015
- 4 Inter unit/company transactions have been eliminated based on information provided by the management
- 5 Included in this CFR, are revenues of Rs. 1,00,872.82 lakh for the half year ended September 30, 2016, capital employed of Rs. 3,29,774.68 lakh and assets of Rs. 10,99,645.60 lakh as on the said date of 8 subsidiaries, which have not been reviewed by us. Other auditors have reviewed these, whose reports have been furnished to us, and our opinion, in so far as it relates to the amounts included in respect of these entities, is based solely on reports of those respective auditors
- 6 Included in this CFR are revenues of Rs. 1,975.88 lakh for the half year ended September 30, 2016, capital employed of Rs. 13,697.61 lakh and assets of Rs. 19,757.20 lakh as on the said date of 5 subsidiaries and 1 partnership firm and Rs. 54.50 lakh being profit of associate for the half year ended September 30, 2016, which are based on Management Certified Results and which are subject to consequential adjustments, if any, arising out of reviews by respective auditors
