**Dallas, 16<sup>th</sup> March 2023:** RateGain Travel Technologies Limited, a global provider of SaaS solutions for travel and hospitality, today announced its Elite Connectivity Partner status with the Expedia Group.

Expedia Group recognizes and rewards a select few connectivity partners who achieved excellent results on various performance metrics, such as maintaining high-quality connections and helping lodging partners grow their business on the Expedia Group marketplace. This also means that RateGain will work directly with Expedia Group to help shape their future products and technology solutions.

Expedia's Connectivity Partner Program recognizes and rewards top connectivity providers for maintaining high-quality connections and helping lodging partners grow their business on the Expedia Group marketplace.
