## RateGain Continues to Rank Amongst the Best Technology Products at the 2023 Annual Hotel Tech Awards

**New Delhi, 11<sup>th</sup> January 2023:** RateGain Travel Technologies Limited, a global provider of SaaS solutions for the hospitality and travel industry, today announced that it has been awarded in two categories at the recently concluded 2023 Hotel Tech awards organized by Hotel Tech Report.

In HotelTechAwards' yet another competitive year, RateGain finished amongst the top three in two categories it was competing in- Rate Shopping & Market Intelligence which is part of its DaaS business line, and the Channel Manager which is part of its Distribution business line. In addition to this, RateGain, continues to dominate every category it has products in ranking #1 in Social Media, #1 in Content Management, and #2 in Rate Parity.

The HotelTechAwards – often referred to as the “the Grammy of Hotel Tech” – are the industry's only data-driven awards platform with finalists determined not by a handful of judges or popularity votes but by product reviews from a global community of verified hotel technology users across more than 120 countries. The finalists for the awards have been selected from more than 200 of the top hotel technology products around the world.

Each year 2.5 million hotel industry professionals use HotelTechReport.com to make informed technology purchasing decisions. The HotelTechAwards determine the best hotel software products across every category based on customer feedback and key proprietary data signals such as integration compatibility, organizational health, market share, partner network strength, and customer support quality.

“The authentic voice of the customer decides the top companies globally in the annual HotelTechAwards – ranking hotel software solutions based on users' experience in buying, implementing, and using those solutions,” said Jordan Hollander, CEO of Hotel Tech Report. “We're thrilled to highlight the value that the world's leading software solutions deliver to their customers. By building a platform around the voice of the people actually using these hotel tech solutions, we're able to deliver actionable, peer-to-peer insights that potential buyers can trust. Achieving a finalist designation in the HotelTechAwards is so powerful because it's based on data – these are the companies to shortlist in any hotelier's next purchase process.”

Thanking RateGain's customers, **Bhanu Chopra, Chairman and Founder, RateGain**, added, “HotelTechReport is quickly emerging as the go-to-destination for hoteliers to evaluate the top products that they can use to accelerate revenue. I am glad that RateGain continues to be amongst the most preferred products in the industry across all our key offerings and hope that we continue to build over the trust that our customers and partners have shown this year. “
