- The spread of the COVID-19 pandemic across the globe and India contributed to significant volatility in global and Indian financial markets and a significant decrease in global and local economic activities. The ultimate duration and extent of the pandemic cannot reasonably be assessed and consequently the full impact on the business due to a COVID-19 related economic slowdown, changes in client sentiment and investment behaviour are currently unknown. The Company so far has continued to engage with clients and employees through the business continuity measures put in place and its technology platform with limited disruption. Further, the Company has assessed that it expects to navigate currently prevailing uncertain economic conditions based on its business model, profile of assets and liabilities and availability of liquidity and capital at its disposal. However, the extent to which the COVID-19 pandemic will ultimately impact the Company's operations will depend on currently uncertain future developments. In terms of the policy approved by the Board of Directors of the Company pursuant to Reserve Bank of India (RBI) Circular dated March 27, 2020, the Company had granted moratorium to all eligible customers for a period up to 3 months with regards to the payment of interest and principal amount, falling due between March 01, 2020 and May 31, 2020. Limited number of clients had availed the moratorium benefits with a primary reason to preserve liquidity in the phase of uncertainty. Post unlocking and gradual opening-up, most clients voluntarily came forward to pay off their dues. Thus, the Company decided to withdraw moratorium benefits to its client. The Company has assessed, based on its steps taken, that such moratorium has not triggered a significant increase in credit risk., Further, the Company does not envisage the need for any additional Expected Credit Loss (ECL) provision on the loans on account of the pandemic. However, ECL provisions required may differ from those estimated currently if situation worsens. Such future impact will be recognised prospectively.
- During F.Y 2019-20, the Company acquired the Distribution Business vide a business transfer arrangement with IIFL Wealth Management Limited (holding company) with effect from January 1, 2020. In terms of the said agreement IIFL Wealth Management Limited has transferred, inter-alia, Employees, Assets, Liabilities, Contracts, Intangible Assets, relating to distribution business for a lump sum consideration.
