

INDEPENDENT AUDITOR'S REPORT
To The Members of IIFL WEALTH FINANCE LIMITED
Report on the Financial Statements

We have audited the accompanying financial statements of **IIFL WEALTH FINANCE LIMITED** (the "Company"), which comprise the Balance Sheet as at 31 March 2018, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended ("Accounting Standards"), and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Accounting Standards and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2018, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Company as on 31 March 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting .
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company
2. As required by the Companies (Auditor's Report) Order, 2016 (the "Order/CARO 2016") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

**ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT
(Referred to in paragraph 1.(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of IIFL Wealth Finance Limited (the "Company") as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the

preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

B-13.00361 dated March 18, 1998, and is primarily engaged in the financing and investing activities. The Company offers broad suite of financial products that includes loan against securities, capital market / IPO financing, loan against property, etc. catering to the financing needs of corporate and high net worth customers.

Note 2. Significant accounting policies:**2.1 Basis of preparation of financial statements:**

The financial statements have been prepared in accordance with the Accounting Standards as prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended ("Accounting Standards"), and other accounting principles generally accepted in India along with the guidelines issued by RBI as applicable to NBFCs. The financial statements have been prepared on accrual basis under the historical cost convention.

2.2 Prudential norms:

The Company follows the RBI Master direction – Non Banking Financial Company - Systemically important Non-Deposit taking company and Deposit taking company (Reserve Bank) Directions, 2016, as amended from time to time ("RBI Directions") in respect of income recognition, income from investments, accounting of investments, asset classification, provisioning and disclosures in the Financial Statements. Accounting Standards (AS) prescribed under section 133 of the Companies Act 2013 and Guidance Note issued by The Institute of Chartered Accountants of India ("ICAI") are followed in so far as they are not inconsistent with the RBI directions.

2.3 Use of estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.4 Fixed assets:

Fixed assets are stated at cost of acquisition less accumulated depreciation and impairment loss, if any thereon. Depreciation is charged using the straight line method based on the useful life of fixed assets as prescribed in Schedule II to the Companies Act, 2013 as specified below. Depreciation is charged from the month in which new assets are put to use. No depreciation is charged from the month in which assets are sold. In case of transfer of used fixed assets from group companies, depreciation is charged over the remaining useful life of the asset.

Individual assets / group of similar assets costing up to ₹ 5,000 has been depreciated in full in the year of purchase. Leasehold land is depreciated on a straight line basis over the leasehold period.

Estimated useful life of the assets are as under:

Class of assets	Useful life
Office equipment	5 years
Software	3 years

IIFL WEALTH FINANCE LIMITED

Notes forming part of Financial Statements for the year ended March 31, 2018

2.5 Investments:

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other Investments are classified as non – current investments.

Current investments are stated at lower of cost or market / fair value. Non – current investments are carried at cost. Provision for diminution in value of non – current investments is made, if such diminution is other than temporary. For investment in mutual funds, the net assets value (NAV) declared by the mutual funds at the Balance Sheet date is considered as the fair value.

2.6 Cash and cash equivalents:

Cash comprises cash on hand. Cash equivalents comprises demand deposits and short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.7 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.8 Impairment of assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. The following intangible assets are tested for impairment each financial year even if there is no indication that the asset is impaired:

- (a) an intangible asset that is not yet available for use; and
- (b) an intangible asset that is amortised over a period exceeding ten years from the date when the asset is available for use.

If the carrying amount of the assets exceeds the estimated recoverable amount, impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets such reversal is not recognised.

2.9 Taxation:

Tax expense comprises current and deferred tax.

Income Tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred Tax

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rate and the tax laws enacted or substantively enacted at the Balance Sheet date. The deferred tax asset is recognised or unrecognised, to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available. At each reporting date, the Company re-assesses unrecognized deferred tax assets. Deferred tax liability is recognised as and when it arises.

2.10 Revenue recognition:

The Company complies, in all material respects, with the Accounting Standard -9, specified under section 133 of the Companies Act, 2013, prudential norms relating to income recognition, asset classification and the minimum provisioning for bad and doubtful debts and standard assets, specified in the directions issued by the RBI, as applicable to it, and

- Interest income is recognised on the time proportionate basis as per agreed terms.
- Interest income recognised and remaining due for 90 days or more for all the loans is reversed after 90 days and is accounted as income when these are actually realised.
- Dividend income is recognised when the right to receive payment is established.
- Processing fees is recognised when there is no uncertainty of collection.
- Capital Gain/ Loss is recognized on the date of trade
- In respect of the other heads of income, the Company accounts the same on accrual basis.

2.11 Employee benefits:

Defined Contribution Plans

The Company's contribution towards Provident Fund and Family Pension Fund, which are defined contribution, are accounted for on an accrual basis and recognised in the Statement of Profit & loss.

Defined Benefit Plans

Gratuity is post-employment benefit and is in the nature of defined benefit plan. The liability recognized in the Balance Sheet in respect of gratuity is the present value of defined benefit obligation at the Balance Sheet date together with the adjustments for unrecognized actuarial gain or losses and the past service costs. The defined benefit obligation is calculated at or near the Balance Sheet date by an independent actuary using the projected unit credit method.

The Company has provided "Compensated Absences" on the basis of actuarial valuation.

2.12 Earnings per share:

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. The Company has not issued any financial Instrument that entitles or may entitle its holder to acquire equity shares in future.

2.13 Provisions, contingent liabilities and contingent assets:

Non-performing loans are written off / provided for, as per management estimates, subject to the minimum provision required as per RBI Directions. Contingent Provision on standard assets is also made as per the RBI Directions as applicable to Company from time to time.

Contingent Provision on standard assets is made at 0.40% of the outstanding standard assets in accordance with the RBI Directions.

A provision is recognised if, as a result of a past event, the company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are neither recognized nor disclosed in the financial statements.

2.14 Service tax /Goods and Service tax input credit

Service tax/Goods and Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing / utilising the credits.

2.15 Borrowings:

Borrowings are bifurcated under long term, current maturity of long term and short term liabilities. Commercial papers are recognised at face value net of unexpired discount. Any difference between the proceeds and the redemption value is recognised in Statement of Profit and Loss over the period of the borrowings.

Borrowing costs include interest and amortisation of ancillary costs incurred. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan

2.16 Debenture issue expenses:

In case of private placement of Non-Convertible Debentures, debenture issue expenses are charged to the Statement of Profit and Loss in the year in which they are incurred.

2.17 Loan Classification

In accordance with the RBI Directions, all loans are classified under any of four categories i.e. (i) standard assets (ii) sub-standard assets (iii) doubtful assets and (iv) loss assets

2.18 Derivative Policy:

Mark To Market (MTM) valuation of the embedded derivative portion of borrowings by way of Market Linked Bonds and outstanding position in Market Linked derivatives are recorded in accordance with principles enunciated in Accounting Standard 30 'Financial Instruments: Recognition and Measurement' and Guidance Note on Accounting for Derivative Contracts issued by the Institute of Chartered Accountants of India. MTM Valuation is determined based on quotes available from exchange/ counter party/ rating agency.
