INDIANS SPENT \$112 m in buying realty overseas in 2016-17

PRESS TRUST OF INDIA
New Delhi, October 5

INDIANS INVESTED \$112 million last fiscal to buy immovable properties abroad, up nearly 60 times from 2005-06, says a report.

It said property overseas became affordable in 2016-17 due to strengthening of the rupee compared to the previous fiscal, while buyers had invested \$88.4 million.

"The quantum of money sent through LRS (Liberated Remittances Scheme) for acquisition of property has increased almost 59 times, from \$1.9 million in 2005-06 to \$111.9 million in 2016-17," said the report by Knight Frank India and the International Real Estate Expo (IREX) released on Thursday.

However, the share of funds spent on buying homes abroad through the LRS fell from 8% in 2005-06 to 1% in 2016-17, it added.

The report 'Looking beyond Borders' aimed at studying buying behaviour, investment returns, preferences and key drivers pushing resident Indians to acquire residential property on foreign soil.

"Strengthening of the Indian rupee against several global currencies has made investments in overseas homes more affordable than a year ago," it said.

Buying a house in Malaysia is the cheapest followed by Dubai, it added.

Resident Indian buying homes in United Kingdom, Cyprus, Malaysia and Dubai would find cheaper as compared to a year ago but acquiring a residential property in Australia would be 11% costlier.

The findings in this report are based on 10 countries: Australia, Sri Lanka, United Arab Emirates, Malaysia, Cyprus, Mauritius, Thailand, USA, Philippines and United Kingdom.
